A Trade of Wives .- The Huntington (Pa.) Globe thus describes a trade in wives, which recently took place in Blair county, which is a pretty fair start in the line matrimonial for a new county: "The trade took place befollowing articles, generally denominated as "boot:" two dollars in cash, three gallons of whiskey, two pounds of smoking tobacco, one pair of shoes, one bell crowned hat, such as was the fushion when Adam was a boy, and several unmentionable trifles. On conclusion leaving behind all the moveable effects, incluin their new homes. The parties are in mod-

WHY FARMERS SHOULD TAKE A NEWSPAPER.

First -From policy, and a due regard to their own interests. As the cultivators of the soil, it is right that they should reap There are now in full and active operation the benefit, when from the numerous cauproduce is raised above its ordinary value. But is this often the case? Do those who The Gross Creek Factory went into opera- by the sweat of their brow, have sowed incorporation until 1811. It occupies the vest, profit by the increased price of flour and other grains? On the contrary, is it thereafter. This factory was incorporated in speculator, who, by watching the foraffairs at home, steps in before the farmer; and coully pockets all the gains? The the important information which so small Mellett's Mills went into operation in 1836, a sum us two or three doilars migi.t procure for him, if expended on a good newsit produces some 16,000 lbs. per month from paper, sells his wheat at the usual price. 1500 spindles. It employs about 45 hands, little dreaming how much he is loosing by the bargain, while the wiser speculator makes a snug little fortune of \$10,000 to operations extend to the manufacture of 4-4 \$15,000 in a day: Year after year has sheetings, 3 yds. to the lb., and 35,000 yds. this been the case, and yet how few of the and supports by its profits about 70 in addi- have profited by their dear bought experienc, so as to avail themselves of the changes Rockfish Fatory is situated upon a fine bold which so frequently occur. We reiterate stream, seven miles from Fayetteville, capa- the warning and advice, but both are reble of turning a dozen mills of the same pow- garded as the voice of interest, and a newsreader invited to its careful perusal. Comment on such evidence is unnecessary. the last extraordinary dry season never lost a cessary expense in a farm house, by those day's labor to the manufacturers. This fac- who, if they regarded their own pecuniary tory has a capital of \$130,000, having been interest would subscribe for one at once,

Secondly .- A farmer should take a new afensive matter, hehing, burning, and depriving me often and employs 130 operatives. A flurishing paper for the sake of his children. If he and beautiful village has sprung at and been would not have them grow up in ignorance created around and by this factory, with a of what is passing around them at home year since the cure was effected, in order to ascertain thy and indirectly their support from it. It and abroad—if he would prepare them for with certainty whether it was a permanent cure, and it has already one church built, and another un- a proper discharge of their duties as citider process of erection; and the benefit to the zens, he owes to them to give them the benefit of this weekly instructor, coming miles from Fayetteville, was incorporated in into the family without bustle or pretence, Messes. Sands:-I deem it an act of justice to myself 1842 with a capital steck of some \$69,000 and performing its office without failure or and the community at large, to relate the following facts It manufactures sheeting, 4-4, 3 yds. to the lb., delay. There is a vast amount of general and consumes aabout 50 bales raw cotton per intelligence condensed in the narrow limmonth, and has 3600 spindles and 82 looms, its of a well conducted paper. Much of this can be obtained in no other way; and Little River Factory, upon Little River, 10 for the remainder the student must wade miles from Fayetteville, went into operation through ponderous volumes, or waste his youth over the midnight lamp. Whatever may be thought of it by our friends in burgs per week. Number of hands employed the country, we know that taking a good newspaper is a cheap way of diffusing in-You have thus in a few words the history formation through a family circle; and we know too that it will put ten dollars in the ployed. You can also see the extent of ben- pocket of the farmer for every one it draws

An old Bachelor disappointed .- A et of cold water dashed upon his fondest beauty of the owner, and then pressed it were the fair cheek of the owner !" Just as he had finished, a big negro wench -Look a heeah, boss, you down dar, jis please to frow dat fimble ob mine in "At the top of my street the attorneys abound, de entry-I jes dropt it!"
